

24" X 48" WIRE GRID GONDOLA W/BASE ASSEMBLY INSTRUCTIONS

4
CONNECT
GRID TO BASE AT
4-CORNERS USING
2 BOLTS/
WASHERS/NUTS
PER CORNER

1
CONNECT
END FRAMES TO
CENTER BAR
W/ 2- BOLTS EACH END

1 Assemble Base by connecting center bar to end frames with 4 bolts (2 per end). Turn upside down to insert casters.

2 Assemble 2 grid panels using three (3) connectors — to form a "T". Repeat for remaining 2 panels to form a "T" facing the opposite direction.

3 Set both assembled "T" grid sections onto base and connect center panels together using three (3) connectors

4 Connect grid to base at four corners using bolts/washers/nuts (2 per corner).
